Dear Parent/Carer

I hope that this newsletter finds you well and that you and your families are managing to stay safe.

Please find our weekly updates below.

A reminder of the provision for Year 10 & Year 12

It has been lovely to welcome back our Year 10 students in Bronte and Cook House this week. We look forward to seeing our Johnson and Wilberforce students on Thursday and Friday. We have worked hard to ensure that our provision is safe for students and have planned some vital teaching in the core subjects of English, maths and Science.

We are also set to welcome our Year 12 students back into school from next Monday, 22 June.

The plan below gives you an overview of the provision for the last few weeks of this term.

| Week beginning | Vulnerable students and essential workers' children | Year 10 8.45 - 12.30pm | | | | | Year 12 1.30 - 3.00pm |
|----------------|---|---------------------------|---|---|---|---|--------------------------|
| 15 June 2020 | ✓ | M | T | W | T | F | O |
| 22 June 2020 | ✓ | M | T | W | T | F | Block P, a House a day |
| 29 June 2020 | ✓ | M | T | W | T | F | Block Q, a House a day |
| 6 July 2020 | ✓ | M | T | W | T | F | Block R, a House a day |
| 13 July 2020 | ✓ | O | | | | | Block S, a House a day |

- Please be reminded that Year 10 students should be in full school uniform, with the exception of their House tie.
- Stationery will be provided to all Year 10 students.
- Students should bring in a bottle of water as the water fountains will not be available in school.
- If possible, students should either walk, cycle or be driven by car to school. There *will be* a bus service in operation (H1 – H7) but if it is possible for you to not travel by bus, we would ask that you do this.
- **IMPORTANT:** Students should arrive to school by 8.45am.

I will be writing to the parents of Year 11 & Year 13 students in due course to confirm examination results day arrangements for over the summer period, when they have been finalised.

Remote Learning: your feedback required!

We have worked hard over the last few months to develop our remote learning provision, but we would like your feedback as to how we can improve it further.

We would really appreciate it if parents could open the link below and answer a small number of questions on this key area of our provision:

Year 11 and Year 13

Students who handed in work before school closed are being emailed with instructions as to how to collect the work from school. An email has been sent to the parents of Year 11 and Year 13 as well as to students in Year 11 and Year 13. Please read the email and reply with the attached form.

Essential Worker Provision

We have seen an understandable increase in the number of children of Essential Workers in school. Please note that we only have a limited number of places left for children who may wish to access this provision in the final few weeks of term.

If you would like your child to come into school, please email Matt Smith, Deputy Headteacher (m.smith@huntington-ed.org.uk) with your specific requests and essential worker status. Once all places are taken up, we will not be able to accept any further students.

Please also note the latest statement from the Government which indicates that schools will be closed to all students over the summer break.

Year 6 Transition

For our parents who may have a Year 6 child due to start Huntington this September, you will be sent an email this week that contains some important information. It details what House your child will be in and who their form tutor is. It also contains a video message from the House team! We hope you enjoy watching these!

We're here if you need us

Our pastoral team are contactable throughout the school closure, should you need advice/support. **If you or your family have been personally affected by Covid-19, we would also ask that you contact us so that we are aware and can provide support if needed.**

We intend to call all of our families before the end of this academic year and check-in on the wellbeing of all of our students.
